The DIMMER VIEW

by Max Goodwin

The Wallace Affair

"The streets of our country are in turmoil. The universities are filled with students rebelling and rioting.

Communists are seeking to destroy our country. We are in danger from within and without.

"What we need now is to restore law and order. Elect us and I promise to bring back law and order to our streets, our courts and our schools will be our first obligation."

Such was the utterance of Adolph Hitler campaigning at Hamburg, Germany in 1932.

Some of the candidates seeking the presidency have made similar proposals. Not that they have Hitlerian determinations. It's only that they see these terrible problems our nation faces and are hoping to produce cures.

These problems may eventually be solved — maybe for better; maybe for worse. But the scent of change is in the air.

The aroma arrived on the sound of gunshots that wounded Governor George Wallace. Wallace has been accused of being bigoted and more closely following Hitler's footsteps than some of the other candidates. Even if this were true, his injury is a tragic event for the Wallace family, Wallace supporters, and all in the nation who recognize the peril of acts such as this.

The tragic event is another outcropping of the ills that are growing more numerous in this great republic.

Who would deny that the roots of this evil are in some of the decisions of the U.S. Supreme Court—a body that once attracted so much respect that its determinations were viewed with awe?

Somewhere along the line it went liberal and came up with so many kooky decisions that it forced lower courts and police to overprotect those charged with crime and even put the onus of guilt on the injured.

Case after case has been thrown out of court and suspect after suspect has been released because some unnatural determination stemming from Supreme Court decisions have forced into obsolescence standards established through the generations.

There will be more violence. That is assured because there is no longer a certainly that law breakers will be punished. There is no longer a supreme penalty—death.

There is not even a reason for fear of the penalty in the Hereafter—if anyone has to get his belief from the prayers that once were uttered in schools and other public places and are now banned.

The public is becoming distraught as national tragedies grow. Our people may eventually become amenable to thoughtless change such as those changes promised by would-be dictators

Such shootings produce a cross of blood on the calendar of American history. The more such crosses that occur, the nearer to total anarchy we get.

Every American should re-dedicate himself to change—the change that would bring back time-honored practices which once produced the strong moral fibre among our people.

CPO OKs Work On Interchanges

SAN DIEGO (CNA) — Division of Highways plans for improving the inadequate interchanges between Route 94 and 125 freeways were approved on Monday by the Comprehensive Planning Organization.

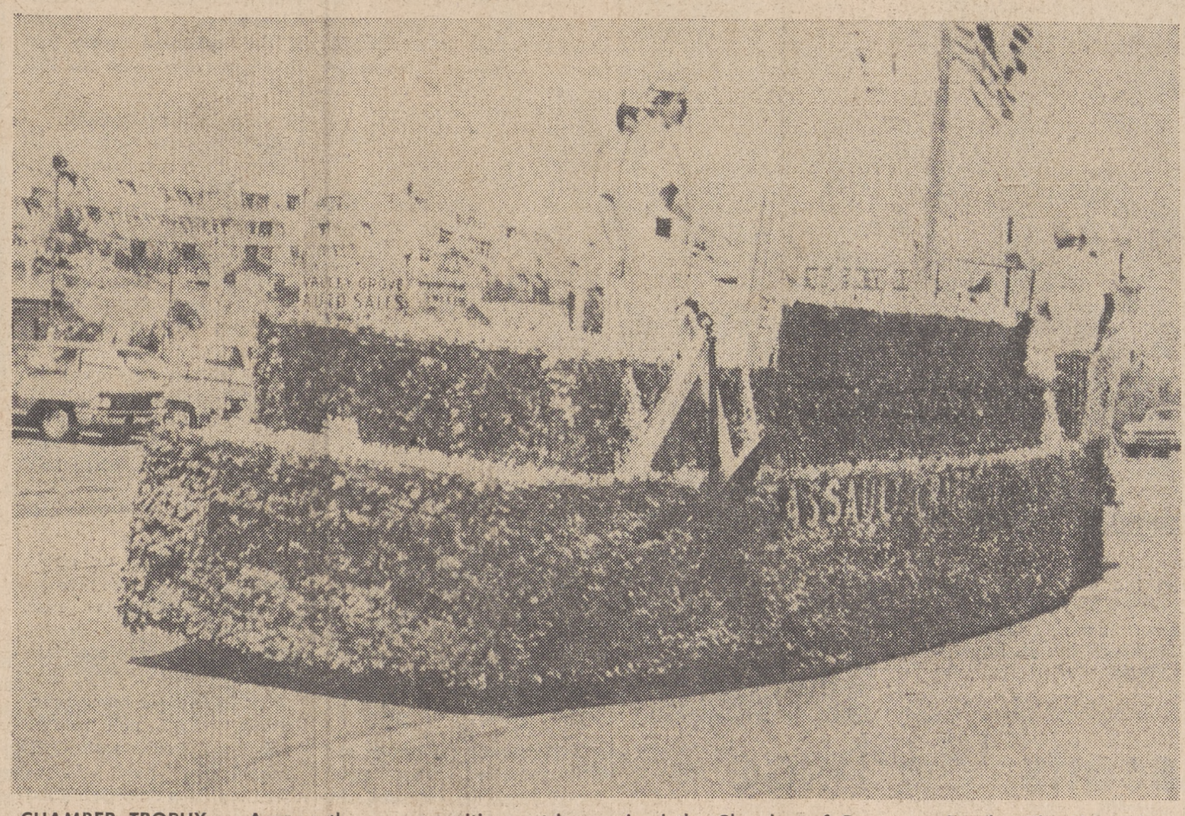
Proposed improvements include the interchange at Campo and 94 and one as Costa Bella and 94.

Eventually, the Campo ramp will become a full freeway-to-freeway interchange from Campo/Spring st. to Sweetwater rd.

The work should reduce long traffic delays that now occur at Campo rd. The Costa Bella ramp will permit traffic movements not possible now at Grove st. — cars heading east to leave the freeway and those heading west to enter it.

The highway division said earlier this year that work on the projects would be delayed due to insufficient highway funds.

Parade Tops OTD Celebrations



CHAMBER TROPHY — Among the many exciting entries in the 1972 Old Time Days Parade was this mockup of "Assault Craft Unit One" from the U.S. Navy, which received the Chamber of Commerce Trophy. The Navy also supplied a marching band for the annual march down Broadway.

Lemon Grove's annual Old Time Days celebrations were climaxed Sunday afternoon with what was considered by most the best parade ever.

The parade, under the guiding hand of Bob Mastny, who announced that he will step down from his post as chairman of the annual affair, included such outstanding entries as parade grand marshal Desi Arnaz, Ozzie's Marching Band, Helix High School's marching band, and numerous floats and clowns.

Mastny has been chairman of the annual march down Broadway for the past three years. This year's parade was smaller than last year's, but Mastny and the Old Time Days Association trimmed out only the less desirable units, such as dune buggies, motorcycles, and the over abundance of horses that detract from a dynamic parade.

Outstanding floats in the 1972 edition included Lemon Grove Junior High School's sweepstakes winner, a chamber of commerce float which earned the President's Trophy, and the Lion's Club float, which received the Queen's Trophy. The Chamber of Commerce Trophy was won by the U. S. Navy's assault craft mockup entry.

Cub scouts from Pack 399 handed out programs to those who lined the parade route.

Following the parade was a children's costume contest. The winners were:

Donti Timmins, daughter of Mr. and Mrs. Jim Timmins, first place for pre-school girls; Susan Clark, daughter of Mr. and Mrs. George Clark, second place.

Ricky Vaughan, son of Mr. and Mrs. Richard Vaughn, won the pre-school boys' competition, and Charlie Stanley, son of Mr. and Mrs. Michael Stanley, took second.

First in the 5 to 8 year old categary for girls was Dina Timmins, daughter of Mr. and Mrs. Jim Timmins, followed by second place Virginia Durland, daughter of Mr. and Mrs. James Durland.

In the boys 5-8 competition, Paul Moyers, son of Mr. and Mrs. Gil Moyers, was first, and Patrick Thomaselli, son of Mrs. Ruth Thomaselli, was second.

In the girls 9-12 category, Clara Durland, daughter of Mr. and Mrs. James Durland, took first place and Beverly Schillizzing was given the second place prize.

Brian Tucker, son of Mr. and Mrs. Brian Tucker, took first place in the 9-12 division for boys and Michael Stanley, son of Mr. and Mrs. Michael Stanley, was second.

KOGO-radio personality Art Way, who was last year's parade marshal, served as master of ceremonies for the costume contest.

Another part of this year's celebration was the first OTD carnival, held on the St. John of the Cross Church grounds. Included in the carnival were booths run by local groups and organizations.

The Lemon Grove Youth Center youngsters manned a booth at the affair and helped raised a good deal of money for operational expenses.

Fair to Draw 2,000 Entries

More than 2100 entries will tasted, tested and examined by judges in the agricultural division at the 20th Annual Eastern San Diego County Fair May 24 through 29 at Gillespie Field in El Cajon.

The event will be highlighted by the traditional livestock auction at 2 p.m. May 27 and by the annual horse show at 8 a.m. May 29.

Jim Seward of Lemon Grove is agriculture chairman for the El Cajon Jaycees, sponsors of the fair.

The fair will be open 3-11 p.m. May 24, 25, 26 and 10 a.m. to 11 p.m. May 27, 28, 29.

Planners Ask Boney To Start Service Area Action

The Lemon Grove Planning Association last week approved a request to Supervisor Henry Boney that he initiate action leading to the formation of a county service area for the purpose of securing an additional park for Lemon Grove.

The service area will, if formed, include all land within the boundaries of the Lemon Grove School District.

The proposed park would be located in the Massachusetts-Mt. Vernon area and would be funded jointly by a tax rate of the service area and money from the Department of Housing and Urban Development.

Estimates of the tax rate which would be needed to supply money for the construction of the park run as high as 11 cents per $100 assessed valuation, and taxes for the maintenance of the park would run between two and five cents.

Up to $40,000 of HUD funds would be available on a matching funds basis, which would require local money of an equal amount. It would not be necessary to use the entire $40,000.

The county service area, if approved, would enable the community to construct a park, using up to $80,000, although a less expensive park could be built.

It was estimated that setting up a service area takes about three months. Supervisor Boney received the request from the planning association Tuesday morning, and it is expected to be considered by the board of supervisors May 23.

Bill Thomas, administrative assistant to Boney, indicated that because of a severe shortage of park space in the Lemon Grove, Spring Valley, Lakeside, and Santee areas, that any requests for park service areas will probably be viewed with favor by the board.

That means that there is a good chance that the service area proposal will receive backing from the county and that the toughest hurdle to be faced would be that of receiving voter approval.

According to Ed Swanson, county service area coordinator-planner, the board of supervisors could enter into the HUD contract by the July 1 deadline, but funds would be needed from the county service area, which would not be formed until late July or August.

In order for the board to enter into the contract, there must be an indication that the community does desire the service area.

The Local Agency Formation Commission will hold hearings on the proposal if the supervisors adopt a resolution requesting LAF to consider it.

After LAF hearings, supervisors will set up their own hearings, if the proposal is still favored.

After supervisorial hearings, a 60-day "cooling off" period will be in effect, after which petitions for reconsiderations or election will be entertained.

In the interim, it is expect-

Deadline For Reservations Monday

Netzley Civic Dinner To Attract Capacity

An Oceanside school executive, who was in college classes with retiring school superintendent Byron Netzley and President Richard M. Nixon, will tell it "how it was" at a civic dinner honoring Netzley on May 31.

The speaker will be Al Lafleur, assistant superintendent of the Oceanside Unified School District Lafleur not only got to know Nixon and Netzley at Whittier College, but the soon-to-be Mrs. Byron Netzley, too. "It made a lovely story," Lafleur said.

The dinner will be at the Plaza International Hotel in Mission Valley and it is open to the public. However, the capacity of the ballroom is 300 and more than likely the capacity will be reached by the reservation deadline Monday. More than 200 reservations have already been made according to Helen Myers, Chamber secretary.

Netzley will have completed 30 years with the Lemon Grove school district and will "rest and travel" after his retirement.

An interesting part of the program will be that the master of ceremonies, Jim Dorman, an attorney, came up through district schools under Netzley, and is presently a member of the school district's governing board.

Mt. Miguel High school's girls' ensemble under director Bob Boucher will provide a musical interlude. Boucher has written a number for the occasion.

The dinner is a community affair, according to Bob Russell, chairman of the event.

"Personnel of the district are having a farewell affair for Mr. Netzley but the May 31 dinner is from the heart of the community many of whom were educated in the district during the Netzley years," he said.

The Lemon Grove Chamber of Commerce is sponsor of the dinner and dinner tickets are $10 a person which are available at the Chamber office by reservation at 469-9621. A no-host social hour will be at 6 p.m. Prime ribs, for which the hotel is famed, is the dinner selection.

LG Fire Report

The Lemon Grove Fire Department, for the week of May 8-15, answered four rescue calls and eight fire calls.

On the afternoon of May 10, Sue Lovelady, 13, was pulled from a swimming pool at 1624 San Altos, where she nearly drowned. Firemen were called at 3:21 p.m., and when they arrived at the San Altos address, administered oxygen to the girl.

On May 12, at 3:36 p.m., firemen responded to a call at the Hargis Motor Co., 7848 Lester st. where Carlos Hernandez, 40, was given first aid for acid on his face, after the explosion of a battery.

School Officials Answer Unification Questions

The following article is the fifth in a series of columns of questions and answers on the June 6 Grossmont Union High School District unification election.

The questions and answers were compiled by county school administration personnel and superintendent of local school districts and are presented as a service to readers who wish to be informed.

Realizing that all questions on unification may not be answered, arrangements have been made to afford readers the opportunity to send in questions of their own, which will be answered by local school district personnel. Questions may be sent to this newspaper, P.O. Box 127, Lemon Grove, 92045.

1) What happens to special project employees?

Retention of an employee in the service of the district is determined by the length of service in the position and not by the source of the funds from which he is paid. Therefore, the same answers apply to specially funded employees as apply to all employees of the district.

2 What salary will existing staff be assured of receiving from the unified school district?

Salary paid certificated and classified employees under the new unified schedule cannot be lower and may be higher than the salary they were receiving in the included district.

3) What happens to the salary schedules of the existing school districts? Is the new unified school district required to adopt a salary schedule which is the highest salary schedule of the existing school districts?

According to Education Code Section 13506, every school district must have a uniform or single salary schedule. The governing board of the newly formed unified school district is not required to adopt the highest salary schedule in existence in the area, however, no employee's salary can be reduced.

4) When employees of existing school district become employees of a newly unified school district, what employee benefits must the new unified school district provide?

The newly unified school district must continue to provide all benefits. Benefits from any included district would have to be extended to all employees of the new unified school district to avoid unequal compensation for identical work.

5) What happens to Cajon Valley Union and La Mesa-Spring Valley School District's merit system for classified employees?

Cajon Valley Union and La Mesa-Spring Valley School Districts have a merit system for their classified employees. Education Code Section 13584.2 provides that if all or any part of a district or districts which is unified has a merit system prior to unification, the unified district shall have a merit system.

This means that each newly formed unified district would be required to have a merit system, as each would include a portion of either the Cajon Valley or the La Mesa-Spring Valley district. The merit system of each newly formed unified district would be required to provide at least the same benefits as the existing district.

6) To which unified school district will existing staff be transferred?

Principals and other administrative staff of schools of the union high school district will become an employee of the unified school district in

LETTERS

Letter Assails 'Be Nice To Criminals' Attitude

Dear Editor:

Since the Supreme Court abolished law and order and replaced it with a "be nice to criminals" attitude, our crime rate has reached unbelievable heights.

After talking with law officers and learning about their restrictions in apprehending criminals, I am thoroughly convinced that law-abiding people of this country will have to make a definite stand to prevent a breakdown of our society.

Everyone living or working in Lemon Grove must be aware of the crime wave which exists here. Every week there are crimes committed which range from petty theft on down. My place of business was broken into and burglarized recently. A business house next door was broken into twice last week. The men in the sheriffs' office tell us that the Supreme Court rulings make it near impossible to punish criminals. When they are caught and taken to jail they are released on some technicality to immediately prey on innocent citizens again.

If the men who are entrusted with the responsibility of protecting us must accept crime as a normal way of life because judges find it much easier to turn criminals loose than to prosecute them — then we are in for a long period of lawlessness during which we must barricade our homes and businesses and carry weapons to protect ourselves.

The old saying "A man's home is his castle" will soon be "A man's home is his fort!"

I, for one, would like to see a complete overhaul of our system of law enforcement, with a lot more emphasis on the rights of the law-abiding citizen.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

"Manera" is an interesting word that offers an opportunity to build our Spanish vocabulary. Literally speaking "manera" would be translated to English as "way" or "manner." For example, we might say "Que manera de hablar" (What a way to speak.) or used in a plural form, "Hay muchas maneras para aprender." (There are many ways to learn.).

"De otra manera" suggests "in another way." This is used in phrases like "Puede usted explicarlo de otra manera? (Can you explain it in another way?) or "Quiere usted hacerlo de otra manera?" (Do you want to do it in another way?).

"De ninguna manera" (by no means). With this phrase we can say "Yo no acepto de ninguna manera." (By no means do I accept.) and "El no va de ninguna manera." (By no means is he going.).

"De mala manera" is translated briefly to "rudely." This permits us to say "El habla de mala manera." (He speaks rudely.) or "El nos trata de mala manera." (He treats us rudely.).

"De todas maneras" may be translated "at any rate." This suggests the phrase "De todas maneras yo voy." (At any rate I am going.) and "De todas maneras ella gana." (At any rate she wins.).

"En cierta manera" is the way to express "in a certain way." Thus we may say "Ella baila en cierta manera." (She dances in a certain way.) and "Tenemos que hacerlo en cierta manera." (We have to do this in a certain way.).

You may wish to try your skills at learning some of the following phrases with the aid of the recorded voice that guides you when you dial 276-2762.

IMPORTANT PHRASES:

Say "En una manera, sí." (ehn OON-nah mah-NEH-rah SEE)
for "In one way, yes.

Say "De ninguna manera." (deh nee-GOON-nah mah-NEH-rah)
for "In no manner."

Say "El habla de mala manera." (ehl AHB-lah deh MAH-lah mah-NEH-rah)
for "He speaks rudely."

Say "De todas maneras es correcto." (deh TOH-thahs mah-NEH-thahs ehs koh-REH-toh)
for "At any rate it is correct."

Say "Ella baile en cierta manera." (EH-yah bah-ee-leh ehn see-EHR-tah mah NEH-rah)
for "She dances in a certain way."

Say "El no tiene buenas maneras." (EHL noh tee-EH-neh boo-EH-nahs mah-NEH-rahs)
for "He does not have good manners."

'Amigos' To Get Woman's Club Award

The Lemon Grove Woman's Club will present its annual scholarship award at a regular meeting May 26, to the Amigos de las Americas.

Special efforts were made through fund raising projects to enable the club to present the award to the group of young people. The youth program is in its second year in San Diego.

In 1972 it hopes to provide training and financing for about 60 youths to spend three weeks in remote Central American villages where they will give shots for polio, tetanus, diptheria, smallpox and measles.

After careful screening each candidate is given 100 hours of training over a six-month period. He must have several interviews, pass a battery of tests and contribute a minimum of $250 plus some personal expenses before final acceptance. Training concentrates on medicine, Spanish, Latin American culture and history, public health, and community development.

Accepting the award for the group will be David De Reimer and Louise Gillis two youths from San Diego who spent three weeks in Central America last summer and plan to return again this year.

Surgical and medical treatment of unborn babies with certain birth defects can be expected in the future.

Three Wins Keep Ned's Atop Sky-Grove Pony League Race

Ned's Outboard won all three of its games in Sky Grove Pony League action last week to stay atop the standings, but second place Lion's Club also won all three of its games to keep pace with the leaders.

Hutchison Roofing, tied for second with Lions when play began last week, won both its games to drop a half-game back of second and a game and one half out of first place.

For Ned's the problem of errors arose in three games against Ebco Steel, but Ebco committed its share of booboos to help the leaders retain the top spot.

In the first game, Ken Heffernan continued his torrid batting pace with a home run in the first inning with a man aboard to create the margin of victory. Bob Lane pitched for Ned's, giving up but one tally in his 3-1 victory.

In the second game, John Young took the mound for Ned's and collected a 2-1 win in a game that was spiced with errors. All tallies were scored unearned.

In the third contest, Earl Ritchey twirled for the winners, as Ned's notched a 13-6 decisiin despite all its errors. Ken Heffernan got into the home run act again, blasting his seventh roundtripper in the tenth game of the year. He leads the loop in four-baggers.

Lions Club won three games from last place Murphy Plumbing, but the first game was the most thrilling, a 1-0, eleven-inning affair.

Lion pitcher Neal Luscomb and Murphy moundman Danny Espinoza hurled shutout ball for the first seven frames of the game, which is the limit in Pony League. Mike Slay finally tallied for the winners after reaching first base when he was hit with a pitch. He scored on an error.

Murphy, after an excellent effort in the first game, fell apart in the next two, dropping 18-1 and 13-1 decisions.

Excellent pitching marked a pair of games between Hutchison and Lido's, as Dave Taluban, for the roofers, and Dean Pudsey for Lido's quieted opposing bats for most of the first game. Hutchison managed to score a pair of runs, however, to get the nod, 2-1.

Robert Bryan took the mound for Hutchison in the second game and tossed a 2-hit shutout for his fourth victory of the season, nailing down the 10-0 win.

Craig Leonetti carried the good wood for the winners, blasting a three-run homer in the second inning. Between Bryan and Leonetti, seven RBI's contributed to the win.

The first half of the season will end this week, and a battle for second place will be featured when Hutchison and Lions Club battle it out three times.

El Cajon Kills Mt. Miguel Playoff Hopes

By Paul Stark

The Mt. Miguel High School baseball team, needing two wins to claim a spot in the CIF playoffs, split a pair of games last week to end the season.

Faced with encounters against El Cajon and Santana, the Matadors figured to get by the El Cajon team but expected a tough battle with Santana for the final victory.

Things were reversed, somehow, however, as El Cajon blanked the local team, 4-0, with Mt. Miguel coming back to roust Santana, 4-2.

Against El Cajon, Bob Pannell took the mound for Mt. Miguel and was greeted with a three-run outburst. After Gene Sutter led off the game with a single, Pannell walked two batters. A single, a Phil Williamson error, and a double steal and a throwing error, also attributed to Williamson, brought the three runs home.

The Braves added another run in the second inning and Pannell settled down for the remainder of the game. Mt. Miguel bats were dormant, however, and the playoff spot was out of reach.

On Friday, the Sultans, who earned the third playoff spot earlier in the week, were greeted by an angry Matador squad. Mt. Miguel, on Tim Miller's stolen base and Buster Ledesma's single, scored in the first frame.

In the third inning, Mt. Miguel added a pair of runs in Ledesma's double, a triple from Bill Cohen, and a single by Jim Reese. In the fifth frame, Mt. Miguel made it 4-0 when Tim Miller tripled and scored on Phil Williamson's single.

Steve Long, hurling for the local team, had things easy until his one-hit shutout was broken up in the seventh frame. Two singles and a double brought in Santana's only runs of the contest.

IED, Mary Browne Tied For Lead

IED Conic Corporation established itself as the team to beat and Mary Browne Realty established itself as the most exciting team in last week's Spring Valley Pony League action.

IED opened the season with a 3-0 decision over the Spring Valley Dodgers and J. P. Koval, hurling for IED, struck out 19 batters enroute to the win.

Koval, later in the week, hit the league's first home run while leading IED to a 7-4 decision over Musser and Sons. In its only other contest, IED dumped the Spring Valley Giants, 9-3.

Mary Browne Realty was featured in a trio of cliff-hangers, sneaking by the Dodgers, 4-2, knocking off Musser and Sons, 5-4, and edging the Giants, 4-3. In the third game, Ernie Nuno blasted a pair of home runs, including a game winning poke in the eighth inning.

In the only other contests, the Giants beat Musser, the Dodgers rocked Musser, 6-2, and the Giants edged the Dodgers, 2-1. In the Dodger-Giant affair, Dan Dixon tossed a one-hitter for the regulation seven innings, but was relieved by John Grabowski in the eighth, for the Giants.

Grabowski, in trying to protect a scoreless tie, allowed a Dodger run in the eighth, but was rescued by a pair of Giant tallies in the bottom of the inning to notch the win in relief.

The standings show Mary Brown and IED in a first-place tie with 3-0 marks, the Giants in third at 2-2, the Dodgers in fourth at 1-3.

Four-Way Tie For First Tops LG 'Sox Play

The Orioles and Fashionettes, tied for first place last week, each split two games to drop into a four-way tie for the top spot with the Quasarettes and Lionettes, who won two games apiece in last week's Lemon Grove Bobby Sox action.

The first game of the week was between the Michael's House of Sight and Sound Quasarettes and the Lido's Pizza Spicers, won by the Quasarettes, 39-9. Valerie Jones led the winners at the plate with a single, three doubles, and a triple.

The Lions Club Lionettes then upset the Severin, Garofenelli and Stenbeck Orioles in the second game of the week, 9-5, to make a three-way tie for second place between the Orioles, Lionettes, and Quasarettes.

The Len's of Lemon Grove Fashionettes needed only to get past the Southwest Leasing Lessees to move a full game ahead of the second place trio, but the Lessees surprised the Fashionettes, 14-13, to make it a four-way tie for the top spot.

The four leaders then set about winning their second game of the week to continue the hot race for the pennant.

In the minor league, the Lemon Grove Chrysler-Plymouth Crickets won a pair of games to keep the top spot, while the second place Kiwanis Club Emeralds kept pace with a couple of easy wins.

Luigi's Edges Berg In First Place Showdown

Luigi's Restaurant won a showdown battle for first place with Berg Electric last week but lost a second game later in the week to remain tied with Berg for first place in the Spring Valley Little League pennant race.

Jeff Whitley, Luigi ace, tossed a no-hitter in the game against Berg to collect the 1-0 decision. Mark Steurmann drove in the game's only run with a double.

Berg moved on to win its only other game of the week, a 4-3 decision over Spring Valley Kiwanis Club. Robert Madrid scored the winning run for Berg when he came home on a passed ball in the fifth inning. Tim Newman was the winning pitcher.

Luigi's had its problems in its second game of the week, which was an 8-3 loss to Dial Finance. Dial, in winning its second game of the week, continued to flex batting muscle, rocking Luigi pitching for four doubles and a home run. Leading the way were Roger Schuff, who hit a pair of doubles, and Mike Hansen, who tipped a two-run homer.

In other games, Dial Finance blasted Kiwanis, 25-1, led by a two-run homer by Chuck Meyers, and two triples by Richard Schlemmer; Moose Lodge topped Post Office, 6-5 in a come-from-behind effort in the final inning; Post Office belted Jackson Supply, 7-2; S&H Martinizing beat Moose Lodge, 6-, and Jackson Supply and Martinizing battled to a 6-6 tie in a game called due to darkness.

Major League standings show Luigi's and Berg tied for first at 3-1, S & H Martinizing in third at 2-1, Post Office and Dial Finance tied for fourth at 2-2, Jackson Supply in sixth at 1-2, and Moose Lodge and Kiwanis tied for seventh at 1-3.

In the intermediate division, Mission Bay Concrete won two games, including a showdown with Nicoll Racers to move into first place.

Mission beat previously undefeated Tea Pot Inn, 8-4, then knocked off then-leader Jim Nicoll, 12-8 to claim first place. In other games, Nicoll knocked off Boosters, 8-7 with a two-run homer in the last inning by Tim Sundahl, Art's Lumber blanked Quick Way Construction, 6-0, Boosters bombed Art's Lumber, 10-1, and Tea Pot topped Quick Way, 14-5.

In the minor league, Stroh's Lomita Bowl won one game and tied another to take undisputed possession of first place. Stroh's beat SV Shopping Center, 17-0, and tied with SV Fire, 12-12.

SV Fire lost its only other game, 10-9 to Pat's Rentals, to drop into a second-place tie with Shopping Center. Shopping Center split two games.

The minor league star of the week was Steve Latham, who twirled a no-hitter for Colwell Insurance over Polar Frozen Foods.

In the rookie league, Support Our POW's won two games to move out in front in the standings by two full games.

Second place teams are Jackson Supply, Foster's Freeze, and A/C Appliance. All three teams split two games on the week.

SAFE — Spring Valley Little League player slides safely into home plate in the Kiwanis-Berg Electric game Friday afternoon. The run wasn't enough for the Kiwanians, however, as Berg won the game 4-3, to remain tied for the league lead with Luigi's Restaurant. (Carl Weber photo)

Doc Cooper and Louise Wambach claimed the most improved bowler awards, having added twelve pins to their averages.

The eleventh season for the league will begin in September. Anyone wishing to join may contact Mildred Huebsch at 466-8276 or Doris Chappelle at 466-8115. Bowling is every Tuesday evening.

Bowlers have a good time and at the same time contribute to the EWL's plaza beautification project. Money is used to pay a gardener, pay water bills, and buy fertilizer to keep the plaza looking neat.

Auditions Set For Helix Play

Lemon Grove area students have been invited to audition for roles in the summer production of "Bye Bye Birdie" at Helix High School.

Twelve major leads and over twenty-five choreographed roles must be filled during auditions on May 30, 31, and June 1 at 6 p.m. in the Choir Room. A large orchestra needs talented musicians, too.

"Bye Bye Birdie", a farcial expose of a composer-agent's schemes of panning off on society a not-so-good rock 'n roll singer, will open for audiences on July 26 and run through July 29. Curtain time is 8 p.m. each night.

Miss Descanso Contest Opens

Girls living in the Mountain Empire School District are invited to compete in the Miss Descanso queen contest to be held July 1st at the Descanso Fair.

To be eligible, girls must be single, and between the ages of 15-18. Winner will ride in the Descanso Parade and represent the community for the year.

For points, contests will be required to obtain $1 donations for the Descanso Boosters club. These donations together with Queens' entry blanks, must be brought to Perkins General Store by May 31. Entry blanks are available at the Descanso Beauty Shop.

Five top contestants will be chosen at the Town Hall on June 4 at 6 p.m. Points will be given for poise, appearance, personality and ability to meet the public.

Buddy Poppy Sale On Tap May 26-27

The Veterans of Foreign Wars Post 2082 of Lemon Grove, and its auxiliary will hold their 50th annual Buddy Poppy Sale May 26 and 27 in this area, to replenish relief funds so help for veterans may continue.

Buddy Poppies are assembled by disabled and needy veterans in hospitals throughout the United States. This gives veterans spending money as well as supplying therapy.

Relief Fund money goes to Service Officers work to help all veterans; VFW National Home for more than 200 orphans of veterans; hospital work; artificial limbs, equipment; financial help; cancer aid and research; national disaster and emergencies.

The program started in 1918 with the replicas of the Flanders Poppy immortalized in Col John McCrae's poem "In Flanders Fields", sold by local veterans groups as a memorial flower, but not until 1922 was the sale organized on a national level.

Theatre Group Formed

Bat Night For Younsters; Padres Face Reds Friday

Backed by bats — their's and those given to every boy and girl 14 and under in San Diego Stadium — the Padres will bang away at the Cincinnati Reds when the clubs open a four-game series Friday night.

And when Clay Kirby — the probable Padre starter — takes the mound at 7:30 on Bat Night, the Stadium should be jumping.

A crucial battle for position in the standings, the first meeting of the season between two clubs whose past arguments have produced superior baseball, free Louisville Slugger Bats authorized for Little League play, all add up to a can't-miss game Friday night.

And in many ways it will be a different Padre team the fans will be watching.

"I sense the difference and so do the players. Now everybody believes they can win regularly. And they're playing like winners," said manager Don Zimmer.

And there's a day-to-day purpose among the players that is readily apparent.

After Friday's Bat Night contest, the Padres and Reds play at six p.m. Sat. and conclude the series with a 1 p.m. doubleheader on Sunday.

Then the high-flying Astros arrive for a four-game set that closes out the Padre home schedule this month. Houston, with a rash of new faces including Dave Roberts, Lee May and Tommy Helms, play 7:30 night games Monday and Wednesday around a Tuesday twi-night doubleheader starting at 6 o'clock.

But best things first. And that's Bat Night. The bats — free to every boy and girl 14 and under attending Friday night's game — are compliments of Jack-In-The-Box restaurants.

Tickets for Bat Night, the remaining games with Cincinnati and the entire Houston series are available now at the Padre Stadium ticket windows open daily at 10 a.m. Tickets also may be purchased at Ticketron outlets throughout San Diego County. For further information call 283-4494.

Bargain Tickets For E.C. Fair

Three changes in the admission ticket procedure for the 20th Annual Eastern San Diego County Fair, scheduled for May 24-29 at Gillespie Field in El Cajon.

On May 25 fairgoers may pay $2.50 for a ticket that includes the normal $1.50 admission and all rides in the carnival area will be free.

All persons will be admitted free to the Fair on May 26 3-6 p.m.

May 29, 6-11 p.m. is Date Night. Males will pay $1.50, girls will be free.

Additionally, May 28 will be Senior Citizens Day. Persons over 64 will be admitted free.

Parking is free all the time.

Swiss Tracksters Due

An all-star team representing San Diego will take on Switzerland's national team in an international dual track meet at San Diego State, Wednesday.

Scheduled as a twi-light affair, the meet will get underway at 4:15 p.m. on Choc Sportsman Track on the Aztec campus. Fourteen events will be run in the dual meet with 10 special non-scoring events for women, seniors and JC athletes interspersed. Retiring San Diego State track coach Dick Wells will serve as the honorary referee for the meet.

Reunion On Tap

A golden annivarsary reunion party will be held in the fall for all former students who attended Grossmont Union High School or El Cajon Valley Union High School prior to 1930.

According to Grossmont Alumnus Chuck Levy, of La Mesa, the first students to graduate in the Grossmont District were in the class of 1921, who attended commencement ceremonies in Lakeside shortly after El Cajon Valley High burned to the ground.

The first graduates of Grossmont High School in its present location were members of the class of 1923. For further information, contact Levy at 7847 Suncret dr., La Mesa.

Williams Gets Contract

First District Supervisor Jack Walsh announced that the Board of Supervisors has awarded a contract to Ballard Williams of Spring Valley in the amount of $12,006 to provide an adequate drainage facility of a lined ditch north of Glenhaven way in Chula Vista.

SERVICE AWARD — At a recent meeting of the Helix Irrigation District's Board of Directors a service award recognizing 25 years with the District was presented to Alvina White. The Chairman of the Board of Directors, Harry Griffen, made the presentation of a gold bracelet with a charm bearing the Helix insignia and a small diamond to Mrs. White.
Mrs. White is a native of St. Louis, Missouri. She lives in Spring Valley.

Comedians' Golf To Aid Ailing Kids

Friends of Handicapped Children, a local organization concerned with the welfare and recreation of handicapped persons, realized almost $30,000 from last year's Comedians' Golf Classic towards a therapeutic swimming pool project — and hope to make it $50,000 this year, announced Russell Burtraw, president of FHC and Dean of City College.

"Although the proceeds, this year, will be shared with other local organizations serving developmentally disabled people, we are involved in a number of projects in the community for which funds are needed. As we serve as sort of a coordinate body for the many associations so concerned, we've been selected to oversee the fund raising aspects," he said.

"As such, I believe we're introducing a new and novel approach in sharing. We have printed 10,000 tickets and they've been distributed to most local groups serving the disabled. Anyone wishing to make a donation to their favorite charity will receive tickets good for admission. We're suggesting a donation of $2 for a one day pass or $5 for all three days — but it is only a suggestion as admission is by whatever they care to contribute, he said.

Convenience Stores Start

Express Lane, a new chain of convenience food stores has opened in San Diego, according to Sam C. Meyer, president of National Fast Foods, Inc., the parent company, located at 4670 Nebo dr., La Mesa.

The first of five Express Lane stires to be completed in 1972 held its "Grand Opening" at 10 a.m., Saturday, at 165 South 1st st. in El Cajon.

Meyer spent the past 25 years in the food business having joined the Southland Corp. in Dallas in 1948. During this period, he went through all phases of management from Supervisor, District Manager, Zone Manager. During the past seven years, he was a division manager for 7/Eleven Stores.

The new stores will emphasize prepared food items as well as such "personal services" as hand dipped ice cream, fountain drinks, hot foods, etc.

Plans in 1973 call for seven more stores in San Diego County.

Stores open — 24 hours a day — 7 days a week.

YOUTH CENTER BOOTH — The Lemon Grove Youth Center manned two booths at the Old Time Days Carnival last week, and one of them was this sponge-throwing booth. Volunteer targets weren't too hard to find in the 90-degree heat Sunday afternoon.

Youth Center Kids Raise Bus Trip Funds

Youngsters at the Lemon Grove Youth Center proved they could do it.

The raised enough money at the Old Time Days Carnival to finance a bus trip to the Cuyamacas this week.

Earlier, they had asked for financial support from anyone who felt sufficiently charitable. Two Lions club members, Jim Dorman and Bob Russell worked out an arrangement so that they could have two booths at the carnival on the St. John of the Cross church parking lot. They made over $100. They also plan a car wash at the Urich gas station at Broadway and New Jersey streets. This, and the help being provided by this newspaper through a circulation project, should keep the Center going through the first few days of vacation.

Responding to the need for aid, Mr. and Mrs. Morey Feldman, of 3214 Acacia st., sent in $10. This was handed to Len Farness, a member of the Youth Center Assn., together with subscription funds. More than $300 has been given to them so far — with subscriptions still coming in.

School Officials Answer Unification Questions

(Continued from Page 1)

which their school is located.

Administrative staff of the union high school district whose assignment of duties is on a districtwide basis may choose from among the three unified districts the one of which he wishes to be an employee.

Teachers, other than special teachers, will become employees of the unified school district in which their school is licated. County Counsel has noted that provision has not been made for the transfer of high school district special teachers whose assignment is on a districtwide level, however, such teachers do not lose their status as tenured or probationary teachers because of unification. Further, County Counsel stated that the governing boards of the three unified school districts will have to work together to transfer such teachers, or to immediately introduce remedial legislation to guarantee such teachers the same right of choice of unified school districts as central office employees.

The classified employees of Grossmont Union High School District central office have a choice of becoming an employee of any one of the three unified school districts.

The classified employees of the Grossmont Union High School District assigned to a high school will become employees of the unified school district in which the high school is located.

Administrative staff of the La Mesa-Spring Valley and Lemon Grove School Districts become employees of the proposed "West" Unified School District.

Administrative staff of the Jamul-Las Flores Union School District become employees of the proposed "South" Unified School District.

Teachers of La Mesa-Spring Valley and Lemon Grove Districts become employees of the proposed "West" Unified School District.

Teachers of the Jamul-Las Flores Union School District become employees of the proposed "South" Unified School District.

Classified employees of La Mesa-Spring Valley and Lemon Grove School Districts become employees of the proposed "West" Unified School District.

Planning Assn. Seeks Service Area Action

ed that local supporters for the service area will be drumming up support for the program.

The next meeting of the planning association executive committee is scheduled for May 25 at 3 p.m. in the auditorium at Golden Avenue School.

On tap for the meeting will be a presentation by Buddy Gray, of the county planning department, who will speak on a lot split ordinance.

BETTER IDEA — Back in 1910, Ford had a better idea — the small car. The small car craze, finally beginning to blossom with all auto manufacturers, was represented in Sunday's OTD Parade by this entry. Unfortunately, the mini-mobile sprung a water leak and broke down. (Vince Broesch photo)

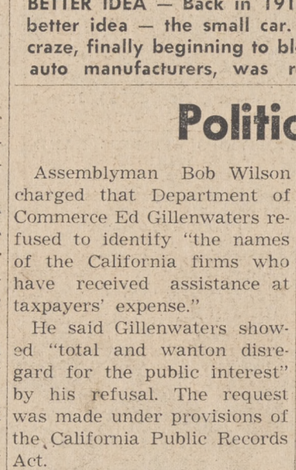
Political Merry-Go-Round

Assemblyman Bob Wilson charged that Department of Commerce Ed Gillenwaters refused to identify "the names of the California firms who have received assistance at taxpayers' expense."

He said Gillenwaters showed "total and wanton disregard for the public interest" by his refusal. The request was made under provisions of the California Public Records Act.

Wilson said he would subpoena the records from Mike Cullen, Committee Chairman.

Glenn D. Mitchell, a candidate for Supervisor, 2nd District, said this week that he would serve only two years of the four year term if elected.



Mitchel

He said that he would then file for the post of governor of the State in the Republican ticket.

Mitchel, a Bible teacher and a deacon of the Johnstown Southern Baptist church. He said capitol punishment should be revived and the tremendous increase in crime, rape, dope, alcoholism and murder results from taking the Bible out of schools.

If elected, Mitchel says, he'll get the Bible back in schools and government.

Three offices for Humphrey for President have been opened in San Diego. They are at 269 N. Magnolia, El Cajon; 11 E st., Encinitas, and 6725 El Cajon near College.

Goodrich and Sam Driver are co-chairmen of Humphrey's 1972 campaign.

The Bob Divine for County Supervisor campaign was kicked-off Saturday with a campaign headquarters Open House Saturday.

Among those taking part were staffmen and friends. Included were Dr. Lowell Smith and Frank Stucky, co-chairmen; Craig Howry, co-ordinator; Fred Andrews, treasurer; Bob Belt, finance chairman, and John Barrons, Frank Berger, Bob Devine Sr., George Eckel, Bill Gillespie, George Gray, Bon Larsen, Al Marshall, Lew Smith, Alex Struthers, Dr. Ken Whitcomb, and Roy Williams.

A recently retired naval officer who served in the Far East, he saw action in the Tonkin Gulf. He plans to take his campaign "directly to the people."

Jack Frost, a candidate for this district's supervisorial post, said this week that the candidates are making the campaign anything but nonpartisan.

"Partisan polls are behind the scenes in the 2nd district," he charged. Republican State Senator Clair Burgener recently served as M.C. at candidate Dick Brown's dinner; two members of the GOP Central Committee serve on the Sumner committee, and Supervisor William Craven served as M.C. for Bill Clements' fund-raiser.

Frost, a Democrat, is asking for support from Democrat voters in addition to all the voters "who are disenchanted with the continuously-increasing tax load and the self serving policies of the present Board of Supervisors."

When Bill Clements, candidate for supervisor in the 2nd District, addressed a capacity crowd last week at a fund-raiser at Carlton Oaks Country Club, he again lashed out at one of the two Browns which confuse the election with the same name. Clements slaps at Dick Brown regularly for his interest in "a third level of government" such as SANCOG.

Another candidate, Bill Brown, has not said he favors such an organization or not although his name was inadvertently listed as a supporter.

Students at Grossmont Community College have organized a political debate to be held on the quad at Grossmont College Campus, Sunday, 1-4 p.m.

An official on-campus political organization, the group is known as "Students in Support of Dick Brown."

Tracy Applegate, president, said, "We plan for this to be an old-fashioned political debate in the American tradition, with the candidates debating before the public. There will be a lemonade, a sno-cone booth and a Dixieland band.

All 12 candidates of the 2nd Supervisorial District will take part in a "Meet Your Candidates Forum" Friday at 7:30 p.m. in the Monte Vista High School gymnasium.

All of the aspirants have agreed to attend the session which is open to the public. A question and answer period will follow short talks by each candidate.

Planning to attend are: Jack Frost, El Cajon; Bill Sumner, La Mesa; Dick Brown, El Cajon; Glenn D. Mitchell, Pine Valley; Gene French, San Diegi; Bob Divine, La Mesa; Bill Clements, La Mesa; Pat Kelly, Lakeside; George Stahlman, San Diego; Bill Brown, La Mesa; Clifford Walker, Lakeside; and Jerry L. Smith, Lakeside.

The Forum is sponsored by the Spring Valley Chamber of Commerce and the Valley Grove News.

The Gene French for Supervisor campaign in the 2nd District will get a healthy boost today as Henry Boney, whose uncontested post is being sought by 12 candidates, will endorse French.

Boney, who has gained respect and admiration of a greater part of his constituency than any other present supervisors, apparently has seen the danger of at least one candidate whom he feels is not qualified to serve, having enough strength to get through the primary.

Best guess is that he thinks French can be one of the two finalists in the general — and his endorsement will assure it.

FASHION SHOW — Flora Stewart, left, of Flora's Fashions in Lemon Grove, goes through some of her selections with Cappy Meyers in preparation for tomorrow's luncheon-fashion show put on by the Helix High School After-Prom Committee. The fashion show and luncheon are scheduled for 1 p.m. in the La Mesa Methodist Church at Palm and Lemon. Flora's Fashions will provide attire for the models and George's Hair Designs, of Lemon Grove, will handle hairstyling for the models.

'Little Women To Be Staged

The Spring Valley Theatre, 9062 Memory lane, opens its production of "Little Women" by John D. Ravold, on Sunday at 2 p.m. The play will run May 26 at 8 p.m., May 27 at 1 p.m. and May 28 at 2 p.m.

The play is the dramatization from the novel, "Little Women" by Louisa M. Alcott which has been a favorite American Classic for six generations.

Monte Vista Student Gets Key Club Post

Jim Carroll, a Monte Vista High School junior, was recently named Lieutenant Governor of the San Diego, Brawley, and Imperial Valley Key Clubs.

In the state of California there is one Governor of all the Key Clubs and four Lieutenant Governors. Each Lieutenant Governor is elected in his individual district.

"Basically, a Lieutenant Governor collects monthly reports and coordinates Key Club activities," said Jim Carroll, "I won't know much about the office until I actually get into the job next year when school starts.

Dental Assisting Class Graduates

Grossmont College honored its eighth dental assisting graduating class during a capping ceremony Friday in the Student Center.

Second semester dental assisting student Lesli Harlan will open the ceremonies with the Pledge of Allegiance, followed by an introduction of guests and presentation of the 1972 Dental Assisting Class by Dr. Joseph A. Malik, vice president for instructional services.

The new dental assistants, nearly half of whom are already employed in dental offices part-time, include: Jane Ellen Auberger, Robin Lynne Neeson and Deborah L. Woestman, Spring Valley; and Nancy Ann McMullen and Georgette F. Sozzani, Lemon Grove. Participation in the capping ceremonies qualify the students to take the National Board of Examination May 24.

The March of Dimes is the number one investor in research in San Diego County by a philanthropic health organization.
